tion after having visited Allen's and

In the face of that statement the search

In the face of that statement the search was abandoned. The name of the man renting the "furnished rooms" was not obtained. These two rooms were at the same hour yesterday filled with touts, thieves and young men infatuated with the race-track gambling game.

It was hardly to be expected that Allen would volunteer information to the police on the subject, so Sergit Lamey and his companion left. Both were seen later at the station-house. They appeared to be much chagrined at their failure to unearth the pool-room, and referred to the inability of police officers to secure actual evidence on which to make an arrest in such a case. But what the public will be most anxious to know is where did "The" Allen get the "tip" to lose up to-day before a line of "The Evening World" story was in type?

The reporter didn't tell him, the secure a renomination. William J. Powvell got the prize, but withdrew because it was discovered but withdrew because it

## SENATE SUGAR INQUIRY.

(By Associated Press.)
WASHINGTON, July 24.—Edward O. before the Senate Sugar Trust Investi-

While not a member of the firm of Wheeler & Co., he acts as a personal representative of Mr. Guilledeau, of that firm. In his absonce, and it is understood that his testimony substantiated that given by Mr. Guilledeau, given before the Committee yesterday, and that it related to an order for sugar stock alleged to have been given my Senator Camden.

The chain of evidence, however, will be accomplete so long as the Committee fails to find one witness for whom search is making. This witness is said to be Samuel G. Battershall, who formerly represented the New York firm of Seymour. Young & Co., in this city. Witnesses who have so far been examined have named Battershall as the man who at one time had in his possession orders from Senators for the purchase of sugar stock.

## SCATHING FOR GORMAN,

Talk About the Sugar Tariff Promise of '92 Set Dewn

as Absurd.

CAFFERY ARISES TO CONFESS.

Hints at a Subtle Force Enfelding and Guarding the Sugar Trust.

(By Associated Press.) WASHINGTON, July 24.-Every seal the gallery was filled again to-day when the Senate met. Resumption of the heavy firing against the Executive was anticipated. The strain and excitement

were almost as intense as when the Sen-ate convened yesterday. The Senators themselves were slow in arriving, most of them remaining in the loak-rooms until the morning business was completed.

Senator Vilas, of Wisconsin, who was expected to defend the President against some of the aspersions cast uson him yesterday was, however, on hand early, as was also Senator Hill, of New York, who was also billed for

When, at 12.28, Mr. Harris, the floor manager of the Tariff bill, called up the conference report, almost every seat en the floor was occupied.

Hill on His Feet. Mr. Hill, of New York, was on his feet, and was immediately recognized for a speech. He agreed, he said, at the outset, with Mr. Gorman, that the Democratic party was in the midst of a power. It had gone to work to reclaim The House had passed a Tariff Nill which, aside from its income-tax feature, seemed to meet with general satisfaction and approval. As it passed this Senate, however, after long weary months of debate, it was not satisfac-

tory, and it violated the pledges of the party. It went to conference. The House conferrees were confronted with the fact that the Senate had made the bill inconsistent, had made it unworthy of Democratic support. They rejected the duty on coal and iron. They efused to yield and there was no hope that they would yield. If they insisted obstinate, all prospect of tariff legisla tion was at an end. His (Hill's) n that the Senate recede from the coa

and iron duties was in the line of as agreement. House Backed by People. It would do no good to obstinately the race to-day, broke the jaws of her gaff.

The broken parts were hurriedly and roughly spliced, in order to carry her her asked, addressing his Democration. colleagues. "Backed by the public press of the country, by the Dem masses and the President of the United

States, as it undoubtedly is, the House

will never yield. Why not yield on these

two points and see whether it does not end to an agreement?"

He was not, he said, talking about Mr. Vilas's motion to recede from the dif-ferential in favor of the Sugar Trust. But concessions must and should be made if the bill was to become a law. Mr. Hill said he was in sympathy with the President's letter to Chairman Wilon. Its sentiments were his sentiments. The President violated no clause of the He had the right to do it. It was a private communication. The question at to making it public was one to be decided with which Senators had nothing to do. No Democrat on the floor could conrevert the position take by Mr. Cleveduty on coal and iron would be to violate the platform declarations of the party, and would place the party, success he desired, in a false and hade-

fensible position.

Democrats with Cleveland.

The Democrats of the country were in ympathy with Mr. Cleveland. Democratic clubs and Democratic conventions all over the country had indorsed the Wilson bill in respect to free raw materials. On the other hand, the Senate bill had been received everywhere with signs of disapproval.

Even in the Senate every Democratic member of the Finance Committee had announced himself as personally in fa-vor of free coal and free iron. The Sec-
